AMENDED IN ASSEMBLY APRIL 16, 2007

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 229

Introduced by Assembly Member Strickland

January 29, 2007

An act to amend Section 626.10 of the Penal Code, relating to weapons.

LEGISLATIVE COUNSEL'S DIGEST

AB 229, as amended, Strickland. Prohibited weapons.

Existing law makes it a misdemeanor or a felony for a person, subject to exceptions, to bring or possess any of specified weapons including dirks, daggers, ice picks, certain knives, unguarded razor blades, tasers, stun guns, instruments expelling metallic projectiles, and spot marker guns upon the grounds of any public or private school providing instruction in kindergarten or grades 1 to 12, inclusive.

This bill would also make it a misdemeanor or felony to bring or possess a box cutter, an exacto knife, or a knife with characteristics similar to an exacto knife, upon those school grounds. ~~The bill would also expand the prohibition on instruments that expel metallic projectiles by instead prohibiting other types of projectiles, as specified.~~ Because this bill would expand the scope of existing crimes, it would create a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
